

PHOTO & MEDIA PERMISSION

Sussex County Shredders · NICA youth mountain bike team · Season 2026–2027

We love sharing photos of practices, races and team events. We only share a rider's photo with a parent or guardian's permission. Please choose **one** option for your rider and return this form to a coach (or a photo of the signed form by email to sussexcompositemtclub@gmail.com).

YOUR CHOICE

- ☐ **Yes, share online.** Photos and video of my rider may appear on the team website, the team's social media and team printed materials (flyers, banners).
- ☐ **Team use only.** Photos may be shared privately with team families (for example in a team chat or album), but *not* on the public website or social media.
- ☐ **No photos.** Please don't share any photos or video in which my rider can be recognised.

OUR PROMISES

- We never publish a rider's name with a photo, and we blur names on number plates and jerseys.
- We remove hidden location data from photos before they go online.
- Your choice never affects your rider's place on the team.
- You can change your choice or ask us to remove any photo at any time: email sussexcompositemtclub@gmail.com or visit sussexshredders.com/photo-policy.

This form covers photos taken by the team. Photos taken by the league, its photographers or other families at league events are covered by the New Jersey league's and NICA's own policies.
